

Payment Plan Options For My School Matters Pledges

As we strive to reach our \$175,000 goal, many Westlake families have expressed a desire to make a larger pledge – **and pay over time**. This idea appeals to families who want to contribute more, but haven't budgeted for a large amount in October.

New!
Pay Over Time

My School Matters now features a **monthly installment option!**

- Pay automatically through your bank
- Pay monthly by check

Pay through your bank – Contact your bank about automatic payments, so your bank sends a check to the WAVE Foundation each month.

In Person – Return the form below to the office with your first check and follow with monthly payments.
