June 8, 2007

Next week is our last week of 3rd grade! I've had a wonderful year working with your children. I'm moving up to teach 4th grade, so I look forward to having some of the same students again next school year.

Thank You

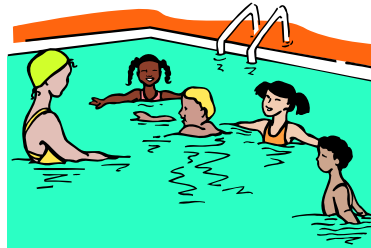

A huge thank you to all the parents who drove their student and helped with the field trip to the Aerospace Museum on Thursday, June 7th! It wouldn't have been possible without your help! Thank you to Aidan's dad and Michaela's grandfather for driving additional students that day!
