## Thank you for supporting Westlake

- The WAVE sends out a BIG thank you to the following parents for coming in to school and helping with our projects last week!
- **Gabriela Del Rio, Nora Romero, Peggy McAllister and Eva Mendoza** all came in last week and got our library ready to open for the students!
- **Mike Williams** for assembling 5 kidney tables for our teachers!
- Leroy Bertelero had help in the garden from **Rachel Lee and Perdelp Banera!**
- And **Mike Panzica** donated a bull horn and walkie-talkies to the school to help the afternoon traffic volunteers and staff get the children safely and quickly loaded in their cars to go home!
- And an honorable mention goes out to all of the parents who donated their time in the classrooms this past month - the teachers and the students appreciate your commitment!

## Catch the WAVE

First of all a great big thank you to all of the parents who came to the last WAVE meeting! We are so thrilled to have such a great group of parents ready to jump in and get involved...and trust me you will not regret it. There are some great events in the works right now; we are actively working on the golf tournament that is rapidly approaching. And in addition to that we are in the planning stages of this years "My School Matter - Westlake Goes to the Olympics" event scheduled for April and our first ever Parent/ Student Sock Hop scheduled for January. If you would rather participate in some smaller events we have Thank You Thursdays, parking lot escort, library support, and of course your teachers would love to have your help in the classroom so get in touch with a WAVE board member and we'll help you get started!

# Last Chance!

Hurry, grab your friends, and register today!
