

## **MANDATORY REPORTER TRAINING**

All Charter School personnel are mandated reporters of suspected abuse and/or neglect. Mandated reporters must report suspected child maltreatment *immediately* when they have “reasonable suspicion to believe that a child who is 17 years of age or younger and known to them in a professional or official capacity has been harmed or is in danger of being harmed – physically, sexually, or through neglect – and that a caregiver either committed the harm or should have taken steps to prevent the child from harm.”

The Charter School shall provide training to all personnel regarding the obligations as mandatory reporters and the steps required to report suspected abuse.
