## Take a Glimpse...

We've been busy with all sorts of fun in and out of school. From becoming pioneers at Sutter's Fort to making new friends at PJ & Game Night. We strive to maintain a balance of making school both educational and fun. Here is a glimpse of what our students have been up to just this past month.

## Sutter's Fort Field Trip

The 4th Graders enjoyed an overnight experience at historic Sutter's Fort. Thanks to all who supported them. Just look at how much fun everyone had!

## Creek Clean-up Wrap-up

WCS families came out in full force to help our community by cleaning up along a canal in North Natomas and Steelhead Creek. We removed garbage, debris, building materials, tires, grocery carts, furniture and invasive plants from our neighborhood creeks and saw first hand the habitats and environment we are helping to protect. Thank you to all those who participated in this worthwhile, educational and fun event.

## PJ & Game Night

Thank you to our Community Building and Hospitality Team for putting together a fun evening. We played games, read stories, filled our bellies with nachos & cookies, and won raffle prizes. Yay!
